COVER STORY

Integrated Report 2021 envisions the “pharmacy of the future” that Nihon Chouzai Group is striving to become, a company that extensively supports the health of every member of our communities. We aim to create a base that supports the health of the community, where pharmacists can broaden their points of contact with patients through effective use of digital and automation technologies.

Note on Forward-Looking Statements

Integrated Report 2021 contains forward-looking statements about the plans, strategies, and performance of the Nihon Chouzai Group. These statements are based on management’s judgments derived from currently available information. Please note that actual business performance is subject to various risks and uncertainties and results may differ significantly from the

statements. Factors that can affect the outlook include economic conditions surrounding the various business areas, the status of revisions to relevant laws and regulations, the status of revisions to medical fees, and the status of product development. However, factors that can affect business performance are not limited to these.

Editorial Policy

In addition to discussing the management policies and business strategies of the Nihon Chouzai Group, Integrated Report 2021 provides comprehensive financial and non-financial information, with the goal of gaining a clearer understanding among our shareholders, investors, and other stakeholders about our medium- and long-term corporate value creation. The reporting period is FY2020 (April 2020–March 2021). However, the Report also refers as necessary to FY2021 (April 2021–March 2022).
